## St. Louis Zoo

Who knew the zoo would  
be so cool on a hot summer  
day. Checking out the  
penguins was the best; it  
was the coolest place at the  
zoo! If only I was a  
penguin. Oh, how I  
wanted to jump into the  
cool blue pool of water.

Imagine if the penguins  
traded places with us.  
They'd be walking around  
and eating ice cream on a  
hot day, while we'd be  
lazing around in the cool

Zoo as one of the top zoos  
in the United States?

Besides seeing all of the  
animals, you can ride a  
train, go for a carousel  
ride, and eat all kinds of  
different foods. The zoo is  
so much fun. I can't wait  
to go again.
